

Your local Scout group needs you!

1st Laghan Scouts are looking for a New Scout Leader from September 2025

We are currently looking for a New Scout Leader to join our leadership team. We are based in South Godstone, currently meeting on a Thursday evening 19:45 to 21:15 (although this can be adjusted if necessary). Full training and support will be provided by the Scouting organisation and existing Scout group members.

Volunteering can be a brilliant way to boost your mental wellbeing. It's a great feeling knowing you're helping young people get skills for life, and you might even learn a lot about yourself along the way.

Why not get together with some friends and volunteer jointly?

Don't have much spare time?

Well, you're just what we need – if you want something doing ask busy people - after all, who would want someone that never does anything!

Seriously, though, you wouldn't be alone or dropped in the deep end. There will be support from experienced leaders.

What will you get from Scouting?

As well as gaining externally recognised skills and having a brilliant time, Scouting also offers the chance to build on personal skills, like teamwork, confidence and leadership. A study found that over 90% of our volunteers believe that the skills and experiences they have gained through Scouting have been of relevance to their working or personal lives.

All training is free.

A lot of employers support volunteering, and Scouting in particular, acknowledging your community support and recognising and valuing the training that you do with Scouting.
